Apostrophe

You are brick and mortar, Sharon High School
You are a cold and unimpressive edifice
Yet, to us you are dear.

Four years you have embraced us,
Joyfully, you have reechoed our youthful laughter,
Silently you have watched us learn and grow.

Wisely, you have guided our steps
Now, in departure we gaze at you again,
Gathering memories from your overflowing store,
Enshrining them in our minds,
And turning,
We face the world with confidence.

Education

It is interesting to watch the scientist at work in his laboratory. He moves with confidence, carefully measuring his ingredients, mixing or heating them in his retort or crucible and then noting the results. If the experiment is performed with the same ingredients and under the same conditions, the results never vary.

The scientist is a trained and educated man and much of our industrial and scientific knowledge comes out of the laboratory.

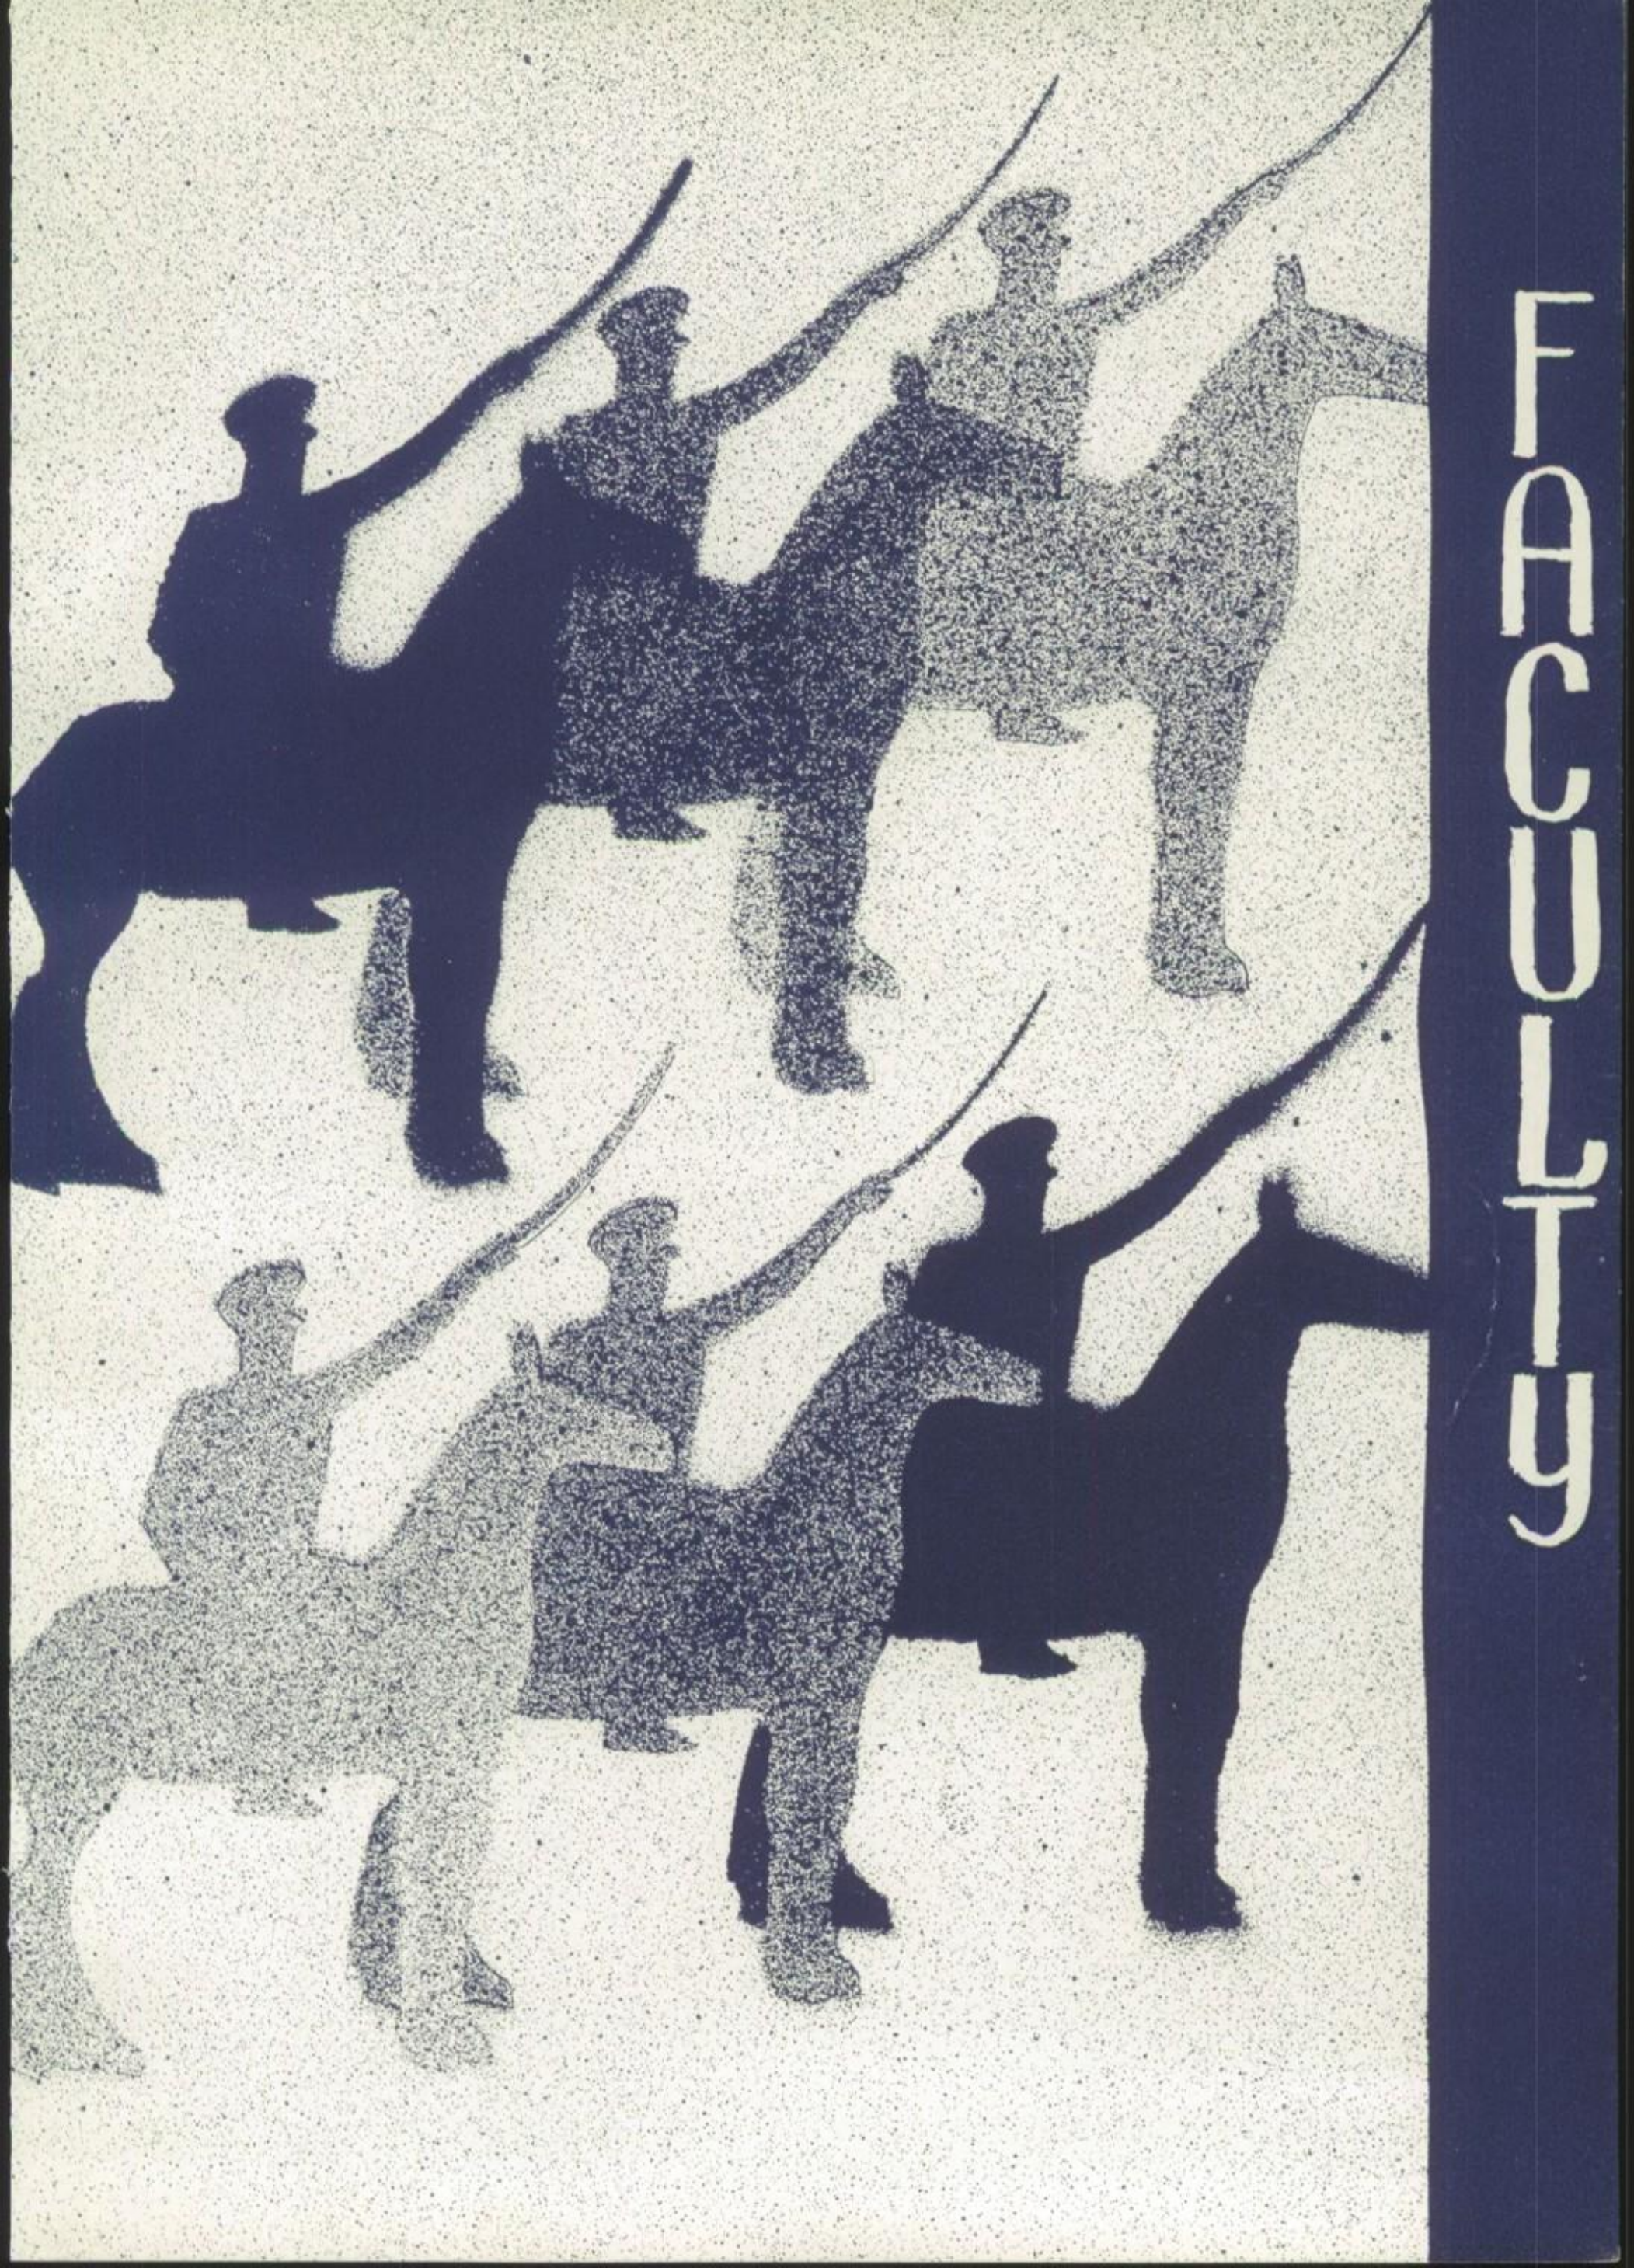
The schools of today are laboratories for the young people. In them we study history so that we can evaluate the actions of men in the past and from them learn eternal truths. We train for the present so that we can do the tasks at hand. We discuss the future so that we can plan for a better and happier world.

Just like the scientist, we take as our ingredients the children of a community, and by various processes which sometimes include a little judicious shaking and the application of some heat, we perform an experiment, the results of which are coming American Citizens.

The American People have demonstrated their firm belief in free education. We teachers feel that it is one of the bulwarks of Democracy.

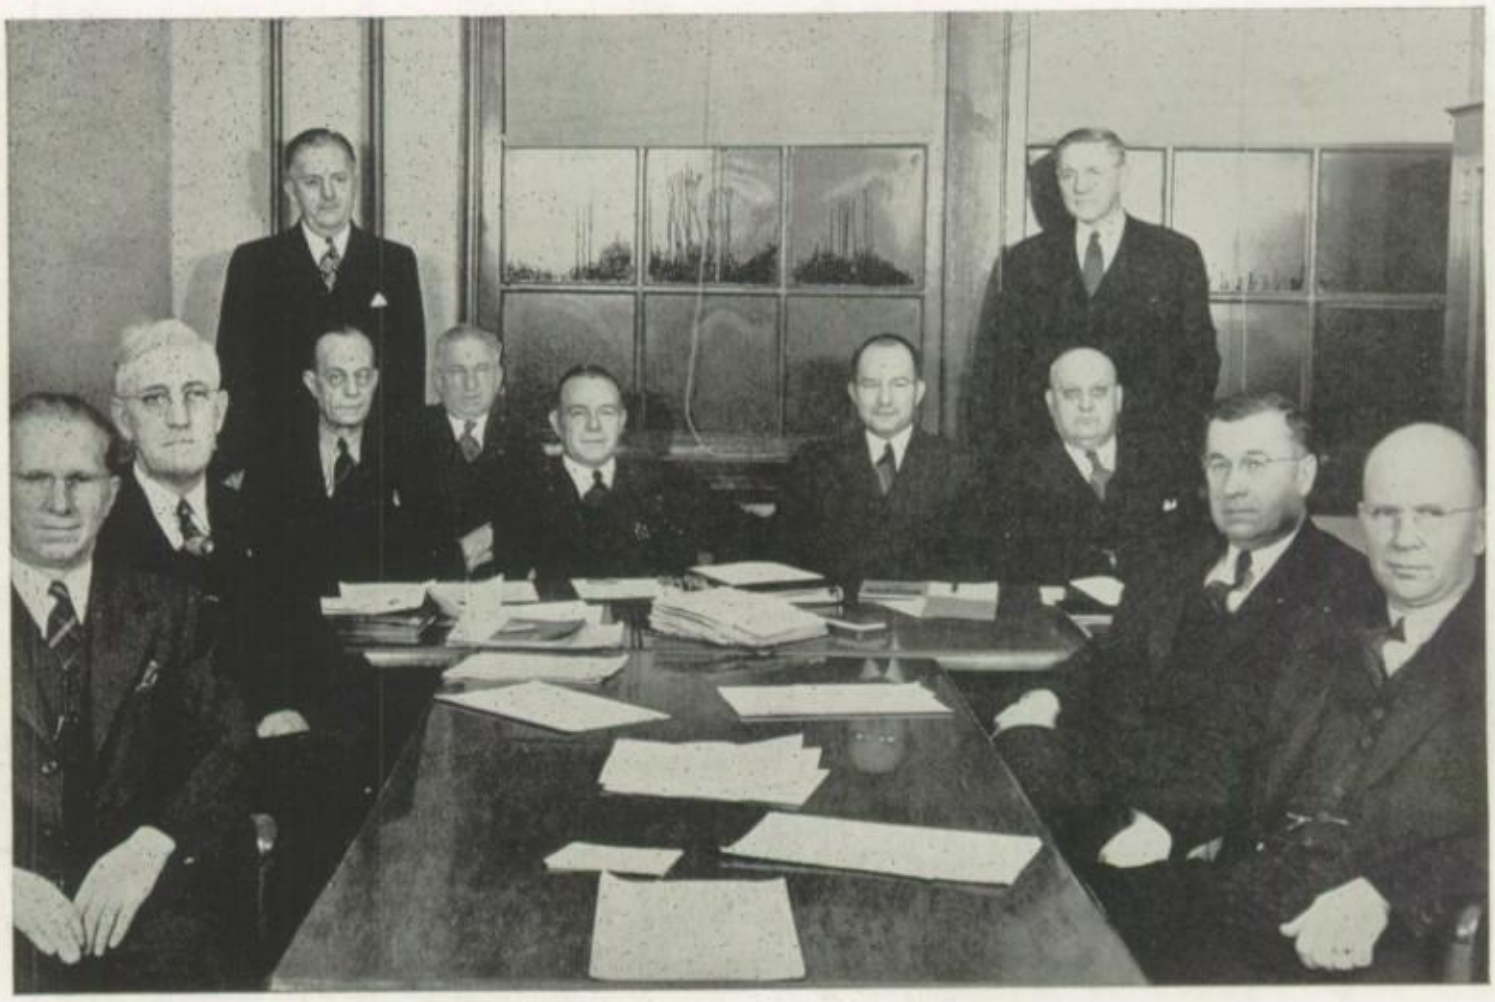
Freedom can exist only among an educated and intelligent people. No matter what happens, we must maintain education facilities for all our children.

PAUL E. WITMEYER



FACULTY

Board of Education



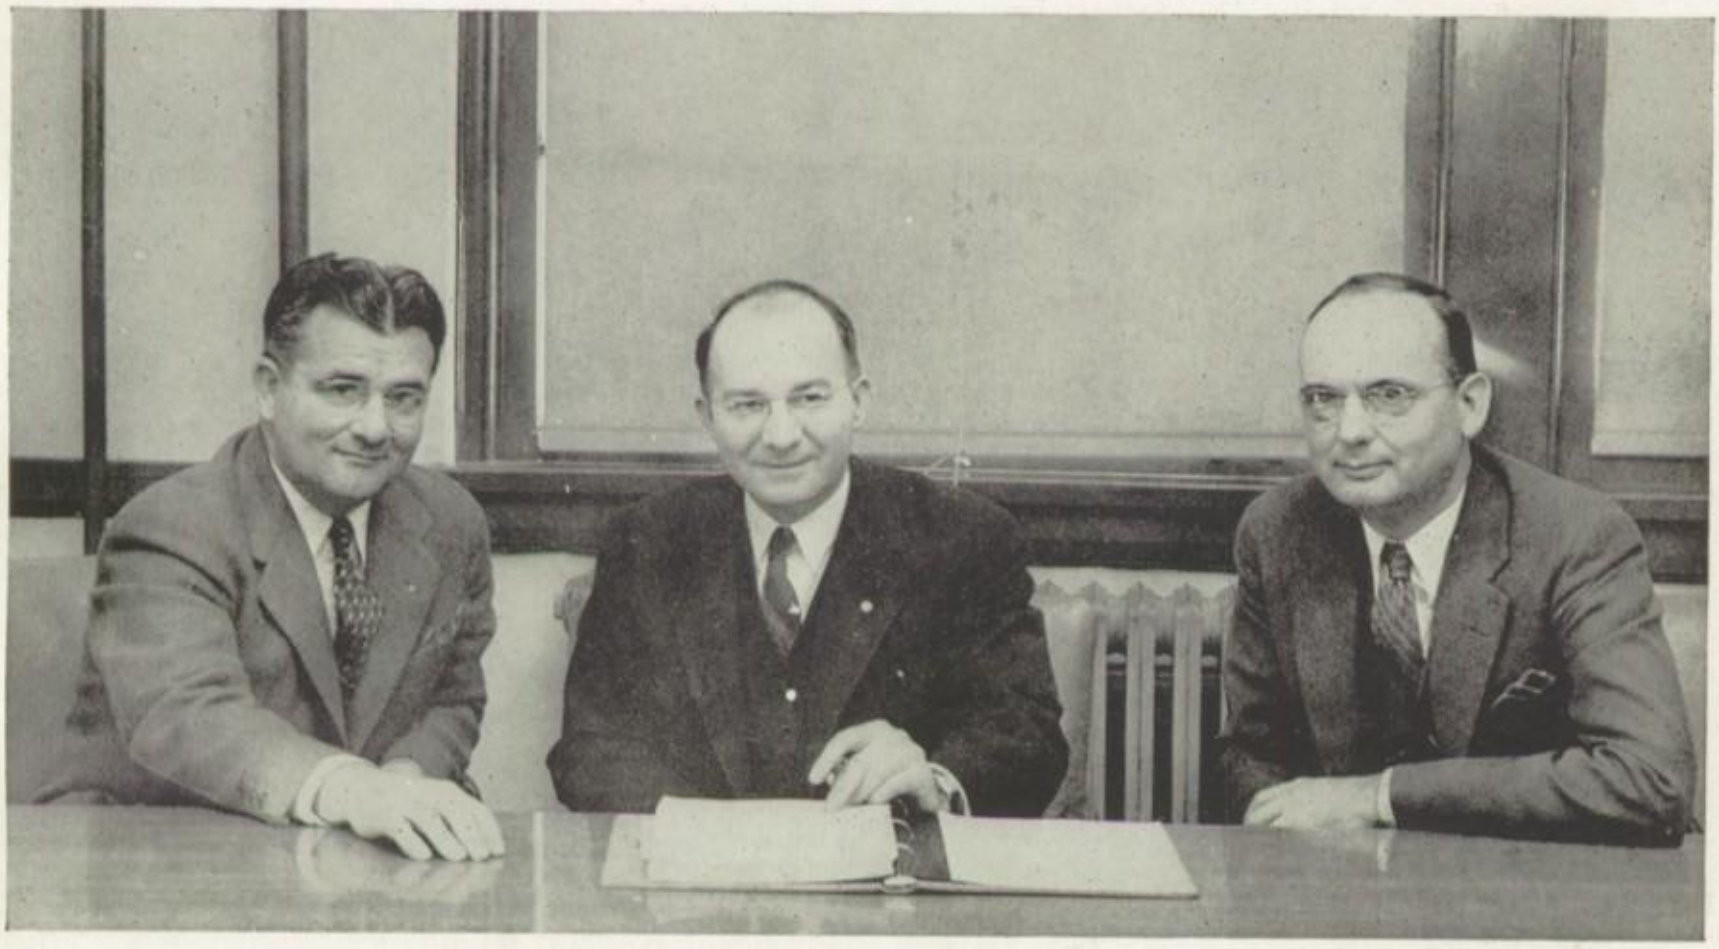
Seated, left to right: E. J. Bieber, E. R. Sloss, H. A. Bishop, W. S. Jackson, J. S. Bycroft, P. E. Witmeyer, G. P. Anderson, P. E. Hamplin, G. E. Heiges.
Standing: H. Eyman, reporter; C. E. Brockway, solicitor.

Mr. and Mrs. Citizen are proud of the public school system. Part of the success of the American Schools can be attributed to the management of school boards. This is also true in Sharon, where seven men—elected by the people—spend considerable time each month of the year in planning and supervising the many activities of the school system.

The Board is responsible for planning the educational program, for raising and disbursing school funds and for the employment of all personnel.

The Superintendent of Schools is the educational adviser of the Board and the solicitor acts in the capacity of legal adviser.

Administration



Paul E. Witmeyer, *Superintendent*

Cleon M. Musser, *Principal* — Stanley N. Currier, *Vice-Principal*

Upon the able shoulders of these three men, rests the responsibility for administration of Sharon schools. That their program is successful is evidenced by the standing Sharon schools have gained in Pennsylvania educational circles.

Dr. Paul E. Witmeyer, superintendent, capably carries out policies formulated by the Board of Education. Eight grade schools, the Junior High school and the Senior High school, come under his supervision. Regularly scheduled principals' meetings serve as a means for knitting together the efforts of all our schools. His smile and cordial greeting are familiar to us all.

Mr. Cleon M. Musser, principal, and Mr. Stanley N. Currier, vice-principal, work together in making ours a high school of which we are proud. This year, in particular, their jobs have been to revise our program to fit us for war times. Victory Corps, bond sales, scrap drives, military drill, aeronautics, first-aid training, army office practice, radio communications, and student aid to business men and industry, are examples of innovations made necessary, with a minimum of interference to regularly scheduled classes. Our hats are off to these men and to the manner in which they are planning our education.

Traffic Squad

Every morning and evening, no matter what the weather conditions, these boys are on hand to guide us safely across State Street. This group also aids in controlling traffic within the school. At rallies and assemblies they are always present to see that we arrive at our correct destinations. Supervisor of this fine organization is Mr. F. N. Newton.

Members of this year's squad:

Head Captain.....J. McGarvey
Squad Captains.....W. Smith
R. Sauer, and J. Fogle

Sign Bearers—T. McGrath, E. O'Korn, J. Leyde, B. Mathewson, J. Davis, E. Homer, F. Garove, R. Harriff, H. Gantz, G. Yurenovich, W. Radford, and J. Stephenson.

Hospitality Committee

The members of this organization are the first ones to greet a newcomer to Sharon High School. Their duties consist of acquainting new students with our school, its rules and the student body.

The committee is composed of two boys and two girls from each of the four classes. Miss E. Vernece Saeger is the faculty sponsor.

Members for this year are:

Seniors.....Marian Arras, Marion Lyman, Gale McClimans, Gordon Heile
Juniors.....Nancy Meyer, Pat Hadley, Forrest Genger, Harry Allum
Sophomores.....Doris Nickum, Ruth Sherriff, Fred Scragg, Tom Monson
Freshmen.....Barbara Lewis, Jean McIntyre, Carl Bailey, Bob Allen

Ushers

This organization resulted from a suggestion made by Miss Saeger several years ago. Some time later a call was made for Senior, Junior and Sophomore girls who wanted to be ushers and from the resulting volunteers, a group was selected by recommendation of their teachers. Wearing blue skirts and white blouses, they usher at all school functions held in the auditorium and are on call to usher at outside activities held in our school. They have become a necessity to our school. These girls are under the direction of Miss Caldwell.

Back Row—Carolyn Coon, Lois McNeelege (captain), Shirley Young, Betty Baskwell, Ann Burt, Marcia Lynn.

Front Row—Sedalia Munnel, Harriet Burnette, Ruth Jones, Frances Pysh, Irene Schultz, Clara Thomas.

Social Committee

Credit for the success of school dances goes to the Social Committee, a group of students from the four classes, who plan entertainment for the student body. Their big project of the year was January 20's Novelty Party, at which students enjoyed dancing to the music of recordings. Miss Brosie is director of the group with other faculty advisers being Miss Bidaman, Miss Hayes, Miss Stephenson, Miss Filer, Mrs. Buchanan and Mr. Collodi. Student chairman for this year was Martha Ann Stewart.

This committee, composed of four students and six faculty members, has been established to build up and preserve the health of the students of Sharon High School.

During the year Mr. Musser and Dr. Witmeyer have addressed the school on the subjects of "Posture" and "The Need for Physical Education." A Posture contest was also held. Miss Ruth Roth, a state nutritionist, spoke at an assembly on the value of proper nutrition in war times.

Those who make up the staff are Miss Weller, chairman; Miss Saeger, secretary; Miss Benbow, Miss Bidaman, Mr. Marks, Mr. Hoskins, Joe Best, Kenneth Barnes, Elinor Knotts and Re Da Maskey.

Monitors

Chairman of Captains.....Ted Gazda

Assistant Chairman of Captains.....Marion Lyman

Faculty Adviser.....Mr. Stanley N. Currier

Approximately 170 Monitors have this year accomplished the task of directing almost fifteen hundred people through the halls of Sharon High School. Working under many handicaps this year, Mr. Currier has kept his monitor squads functioning smoothly in their endeavor to maintain order, improve general conduct, and extend every courtesy to visitors.

MONITORS' CODE OF BEHAVIOR

I will remember that my behavior reflects the attitude of Sharon High School and that the school is judged by the impression I create.

I will take charge of the halls in the vicinity of my post as monitor and will be responsible for the behavior of the pupils in this area.

I will visit the lavatory nearest my post immediately after I go on duty and after the warning bell at the end of the period and at any other time when it is necessary and will report any condition that is not as it should be.

I will talk to no one when on duty except in case of necessity.

I will not allow an outsider to go around the halls except when I am sure they have received this privilege from the office or are accompanied by some member of the school.

I will rise when speaking with any adult, man or woman.

I will remain at my post until the monitor who follows me reports for duty.

I will stand during change of classes.

I will see that pupils use the proper stairs.

If at any time I feel I cannot fulfill my obligation to the school, I will resign my position rather than violate a trust.

I will report to the office any condition which I am not capable of handling.

If on duty on the first floor, I will allow no one to leave the building without proper authority.

I will enforce and abide by the Permit Rules.

I will try to be worthy of the trust placed in me and I will not forget that I am responsible to the school to do my best.

Dramatics Club

For the past three years the Dramatics Club has functioned under the supervision of Miss Isabel Armour. This club has been in charge of many of the Public Relations programs. It gives the students an opportunity to display their dramatic abilities. Each member is given a chance to take part in the programs sponsored by this group.

The officers include:

First Semester		*Second Semester*	
President	Paul Wilkins	President	William Goldberg
Vice President	Frances Dietrich	Vice President	Anne Nickum
Secretary	Doris Shaffer	Secretary	Aurora Roscoe
Treasurer	Anne Nickum	Treasurer	Ruth Zucker

Marionette Club

This organization, directed by Miss Elizabeth Sykes, provides a hobby for a number of our Sharon High School students, as well as entertainment for the entire student body.

Each year, this club, one of the oldest and most interesting in the school, presents one main play. Presentation for this year was "The Three Wishes." In addition to manipulating and giving voices to the marionettes, the group this year made new costumes for them.

The Marionette Club for 1943 includes Audrey Smith, Marjorie Ross, Antoinette Marino, Evelyn Zeka and Virginia Sember.

Secretaries

Typing, shorthand, filing business reports and meeting and interviewing people form the main duties of the secretaries of Sharon High School. Throughout the school year their faculty advisers spend many hours with these girls, teaching them the finer points needed by secretaries. And thus, the girls become well-trained for future positions in the business world.

Visual Education

The department of Visual Education was inaugurated three years ago and has been doing excellent work ever since, under the guidance of Mr. James R. Marks. The Visual Ed group has two sets of sound apparatus, one silent projector and several slide projectors that can be moved to any rooms the teachers request. During lunch hours pictures are also shown to relax the students and lessen the strain of the day.

Members of this year's Visual Education squad are: George Resele, Bernard Mathewson, Daniel Masson, William Rosser and Dale Stoops.

Fire Squad

The group of husky young fellows who make up the Fire Squad, are chosen, for the most part, from our various athletic teams. They were called into action many times this year because of numerous air raid drills. Their function is to keep order in hallways during fire drills and air raid drills, and to see that evacuation of students from the building is fast and orderly. Mr. S. N. Currier, vice-principal, is sponsor of this organization.

Back Row—Rowlands, Clifford, Phillips, Gathers, Shorts, Miller, Zahn.

Middle Row—Flickinger, Mack, Gula, Snyderwine, McNamara, Ciccone.

Front Row—Lynch, Monson, Moore, Gitschier (captain), Gross, Looney, Renner.

Rifle Squad

Due to the war, the Rifle Club had new importance this year. Members secured training which will undoubtedly prove useful to them when and if they enter the armed services of our country.

After a few weeks of getting organized, the boys were divided into groups for an intensive course covering all phases of rifle shooting. Some of the members developed into fine riflemen. Mr. Grimes, faculty adviser, spent many hours on the range each week helping his boys along.

War Effort

When we returned to our school rooms in September, we found that there were many ways in which we could aid our country in the war effort. Although most of us were too young to take an active part in the actual fighting, we learned that there is much we can do, and we have been doing it all during the school year.

Shortly after school started we were asked to collect all the old scrap metal available. Soon most of the classrooms were practically bare, so far as the boys were concerned. They were out gathering up old stoves, tubs, automobile parts and a host of other things made of iron and steel. Later there were other scrap drives, including several for tin cans. Fats, silk stockings and paper were also collected and turned over to salvage committees.

Seventeen and eighteen year old boys were organized into drill classes, which went through maneuvers every Wednesday during activities period. Captain Young was in charge of this preparedness program. Letters from boys who took part in these drills and later went into the armed forces, tell us that this preliminary preparation aided them greatly.

Girls of Sharon High were not to be outdone by their classmates of the opposite sex. Several have taken an active part in the Civilian Defense program daily during the greater part of the school year. Senior Tri-Hi-Y girls sold war stamps and bonds at the local theaters and many others were enrolled in first aid and home nursing classes. Campaigns to collect books and records for use of the soldiers stationed at nearby Shenango Replacement Depot were carried on. Girls of the Senior Tri-Hi-Y obtained names and addresses of alumni in service and urged all students to write to these grads.

Every Tuesday morning since September was war stamp and bond day. We took the dimes and quarters we formerly had been using for sundaes and movies and put them to work for Uncle Sam. A novel idea of the Art Department, filling in a "jeep" with colored pencil, with each small space at a value of two dollars worth of stamps, made us all the more conscious of this opportunity to help our country.

A nationwide contest, sponsored by the Columbia Press Association, resulted in our school selling more bonds than any other school in the country. Although one other school did better than ours on a percentage basis, we sold $160,000.00 worth of bonds to lead the procession. As a result of this fine showing, our students were able to have a pursuit plane named for them. The name selected was "Sharon's Flying Tiger."

The Victory Corps was organized near the middle of the year. Divisions titled Air Service, Land Service, Sea Service, Community Service and Production Service met regularly to discuss phases of war work dealing with their respective branches. The Community Service group was especially active in the "Name a Bomber" campaign mentioned above.

The Quill and Scroll Society published maps of Sharon and vicinity, to be given to soldiers from the Replacement Depot who were visiting in Sharon. Money for this project was solicited from Sharon High students only. The maps were issued to the soldiers at the U.S.O. centers and at the camp itself.

The Masque and Gavel, speech improvement club, presented a program informing the student body of the meanings of insignia belonging to various branches of the Army. They also informed the students of the requirements for membership in the various divisions of the Victory Corps.

Our fine band took an active part in the war effort also. On a number of occasions they played at programs for boys leaving the valley for the army. They marched in several of the bond drive parades as well. The band was present and took part in several programs awarding citations to valley industries for their part in excellent production of needed war materials.

Classes in radio communications, pre-flight aeronautics and army office practice were placed in the regular curriculum. Gym classes stressed physical fitness, and long before the close of the school year, boys gym classes could be seen making use of our new obstacle course. Navy V-12 tests and Army tests were administered to boys, to determine possible material for officer training.

We of Sharon High School have had a busy year, taking part in different war activities, but it has been pleasant. We have cooperated fully whenever we have been asked. We will certainly continue to do so.

Hi-Y and Tri-Hi- YClubs

PURPOSE: *"To create, maintain and extend, throughout the School and Community, high standards of Christian Character."*

This splendid organization, organized in 1930, is one of which we may be justly proud. First of the clubs was the Senior Hi-Y, followed two years later by the Senior Tri-Hi-Y. Since then new groups have been added until now we have six in Sharon High School.

As the Purpose reads, the main purpose of the Hi-Y clubs is to develop high standards of Christian Character in our school and community. Other important purposes are to bring out and further develop qualities of leadership, and to provide for wholesome social activities. Meetings are held weekly and consist of devotional, business and discussion topics. Many members obtain valuable experience as club officers, and most others, at some time, are named to chairmanships of project committees.

The "Y" clubs were very active this year. All groups contributed money to the Red Cross and other worthwhile relief organizations. When the Quill and Scroll Society needed money to publish maps of Sharon, for use of Shenango Replacement Depot soldiers, the clubs dug down into their treasuries and helped them out. Members of all "Y" groups took part in the Christmas assembly program, which consisted of Biblical scenes. During the month of March all members participated in the annual YMCA Bible Study Contest.

The SENIOR HI-Y sponsored the annual Homecoming Queen ceremony and Homecoming Dance. They, as well as all other Y Clubs, practice the four C's, namely: Clean Speech, Clean Sports, Clean Scholarship, and Clean Living.

Publications

The cooperation among members of all staffs made this year an exceptional one for publications.

The Mirrorette, supervised by Miss Anna Grace Smith, achieved a First Honor rating in the National Scholastic Press.

The Mirror magazine, advised by Mrs. Roberts, won the highest possible award for feature articles in the Columbia Scholastic Press Association.

The Mirror Annual, for the first time published by a staff composed entirely of Juniors, was under the guidance of Mr. Kenneth Collins, himself a newcomer to publications in our school.

A Cappella Choir

The A Cappella Choir, a group which sings without accompaniment, is one of our prized student organizations. Organized several years ago by Mr. David Rees, music supervisor of Sharon schools, this choir represents our school at many civic functions. Members are selected by tryout, and are mostly members also of the Boys Chorus and Girls Chorus.

Each Monday and Thursday activity period, the choir meets in the auditorium for practice. Some of their favored selections are "Beautiful Saviour," "Listen to the Lamb," and "Deep River." Top favorite however, is probably the "Hallelujah Chorus." A visitor to the auditorium during practice is entranced by the beautiful music produced by this group of boys and girls.

This year the A Cappella Choir took part in the Christmas program and Baccalaureate service. They appeared before the Rotary and Kiwanis Clubs, and also gave a program at the dinner for crippled children, held at the First Presbyterian Church.

Senior Play

"Our Town" was presented by the Senior Class of 1943 on March 23, in the Sharon High School Auditorium. This play was written by Thornton Wilder.

Although the play was enacted on a barren stage, with no scenery and very few properties, the well selected cast easily held the attention of the audience. All cast members took their parts in the manner of veteran actors and actresses. We feel that we can be justly proud of Miss McMullen, their director, for her unsurpassed work in directing this play and others preceding it.

The setting of the play is the small town of Grover's Corners, New Hampshire, at the beginning of the 19th century. In the first act the audience is taken into the homes of the Gibbs and Webb families. Starting with breakfast, the action is carried throughout a whole day.

Theodore Gazda was outstanding in the role of the stage manager who makes comments throughout the play. The nineteenth century mothers were successfully portrayed by Julia Service as Mrs. Gibbs, and Elinor Knotts as Mrs. Webb. The tired doctor was brought to life by Paul Wilkins as Dr. Gibbs. Cornelius Smolen presented an interesting portrayal of the small town newspaper editor, Mr. Webb.

The second act, four years later, concerns the love affair between dreamy, romantic Emily Webb, played by Marian Steineck, and George Gibbs, a sport-minded, dependable high-school youth, enacted by John Phillips. The wedding of these two young people climaxed this act.

Smaller, but important roles, were played by David Marsland as the intoxicated choir director, and Doris Shaffer as Mrs. Soames, complaining daughter of the Gibbs family by Betty Jane Palmer, and Wally Webb, son of the Webbs, played by Robert Colson.

The most dramatic scene of the play was in the third act. In it we find through Emily Gibbs, that it is impossible to return to the living world after death.

Robert DeMuth, Kenneth Barnes, William Riffner, Dale Stoops, Robert Wilcox, Allan Irvine, Donald Feik, Elver Kolb, Charles Miller, Louis Epstein, Lillian Gray, Rita Lavin, Jeane Myers, Martha McDowell, Emelia Whalen, Mary Ellen Miller and Rosa Ellovich, capably portrayed townspeople.

"OUR TOWN"

Rallies and Assemblies

When Mr. Musser announced, "We will now go to the auditorium," we all thrilled at the prospect of our first assembly. Throughout the year the announcement of each new assembly brought a little more excitement than the last.

In the upper left picture on the opposite page, Mr. Howell, a Bohemian glass blower, is in the act of blowing out a long, thin glass bubble. It was one of the most original assemblies presented this year. Mr. Howell, assisted by his wife, produced a number of objects, of which we remember best the stork made from red glass, and the beautiful glass pipe. The girls can look forward to having their clothes made from glass such as we saw displayed on the doll.

The picture in the upper right is of the Armistice Day speakers. Attorney Leo McKay related some of his experiences in the last war. Albert Acker introduced the speaker and Martha Ann Stewart recited a poem.

The middle left picture is of one of the rallies held in the gym. The first rally was given on September eleventh, in preparation for the game between Sharon and Erie Strong-Vincent. The boys on the football squad were introduced by Coach Stewart. They then presented a song, "We Are the Team." This song was composed by the squad while they were at Camp Fitch. If it had not been for the able help of the cheerleaders, the rallies would not have been successful. They are the people who help work up enthusiasm for all athletic games. Notice that girls are on our cheering squad this year, for the first time. They did very well, too.

The right center picture is a scene from the Christmas Program. The main theme was the portrayal of Christmas Carols in short tableaux. The Hi-Y's and Tri-Hi-Y's were the participants. The A Cappella Choir sang.

Bill Duncan spoke at the next assembly, pictured in the lower left hand corner. Mr. Duncan, from Chevy Chase, Maryland, was the guest of Mr. Bycroft, who introduced him. He talked of the lives of great present day American men. All of the students enjoyed his message.

The lower right picture shows Mr. Osborne, authority on the subject of Australia. His talk was educational as well as entertaining. Mr. Osborne's descriptions and colored slides of Australia made us much more familiar with that far-off continent than we ever had been before.

Mrs. Robert (Nida) Magidoff pictured the need for Russian Relief. She told of the conditions in Russia at the beginning of the war and also of the courage of the Russian people. We were all a little more war conscious when we walked out of assembly that morning.

The boys, especially, will remember when Paul Brown, former coach of the Massillon High Tigers, spoke to us. We were given an inside story of the reasons for the marvelous success of his football teams. We now realize that it takes hard and diligent training to develop a winning athletic team.

Seaman First Class Wyatt, survivor of the torpedoed aircraft carrier, "Lexington," held us spellbound as he narrated his experiences on the Pacific. Seaman Wyatt urged that we and our families should buy war stamps and bonds to the limit of our abilities.

Slim Williams, Alaskan adventurer, described his experiences over the route now followed by the great Alcan highway. His stories of cooking and living in the open, and description of the small villages in the North, were all interesting.

George Ramsey, news correspondent, told us of war conditions throughout the world. He predicts final success for the Allied Nations.

Dr. Nicholls, whistler extraordinary, and member of the Walt Disney Studio staff, gave an excellent performance. His bird calls were perfect. Before the assembly ended, he had the whole student body practicing with him.

Another year has passed, and with it these numerous assemblies mentioned. We look forward to next year and even better programs.

COACHES

What might have been a good gridiron season was, by fate, turned into a rather mediocre one. This year's Tiger outfit racked up two wins, three losses and three ties. However, in three of the games, inability to convert the point after touchdown spelled the difference between victory and defeat.

Sharon fans got their first look at the Tigers as they took on Erie Strong Vincent. The experienced Erie lads sported a poorly developed aerial attack but couldn't score against the Tigers. Sharon came within a hair of a touchdown as the result of a long run by Dan Gross but couldn't push it over. The opening game of the season ended in a 0-0 deadlock.

With Bill Stratter leading the way the Tigers got rolling and defeated Stowe 25-7. Stratter sprinted for two scores, passed to Gross for another, and handed the ball to Monson on a reverse for the other. Shorts made good on one of four attempted conversions.

Though they greatly outplayed Youngstown East the best our boys could do was a 6-6 draw. Bill Stratter plunged over for the Sharon score in the third period. A Tiger letdown, after they had scored, resulted in Youngstown tying up the ball game a short time later.

A spirited, hard-fighting Tiger team spotted New Castle 13 points in the first half and then came clawing back in the last half to gain a well-earned tie. The Sharon forward wall stopped cold the highly praised New Castle machine. Harry Monson lugged the pigskin almost to pay-dirt and Tony Bayer plunged over for the touchdown. Shorts was good on the conversion. Just a few short minutes later "Dutch" Clifford intercepted a New Castle pass and lugged it over the last white line to tie the score.

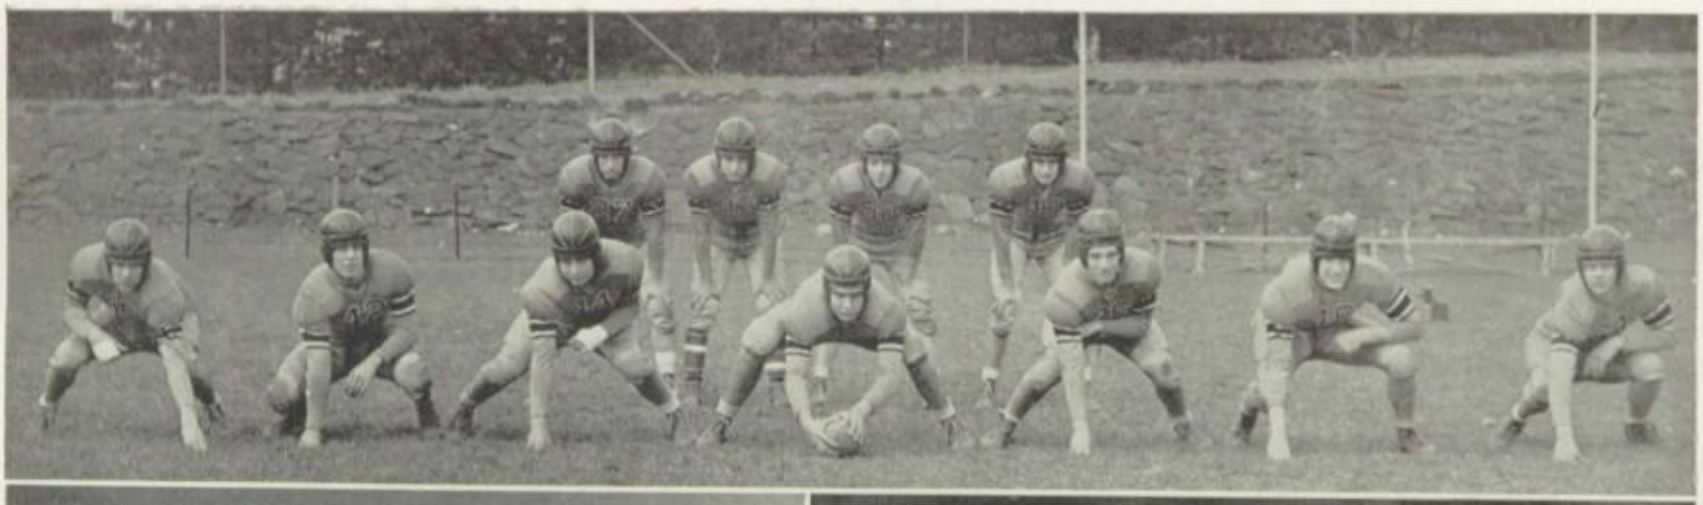
In their only game away from home, Sharon went down to defeat 25-6 before Rochester. Sharon's only score came on a short plunge by Lysohir. The New Castle game had left the Tigers too weak to be effective against the Rams.

While they were still battered and bruised the Tigers ran up against Woodrow Wilson and were again defeated 7-0. Harry Monson, Frank Gitschier and Francis Dugan played a fine defensive game.

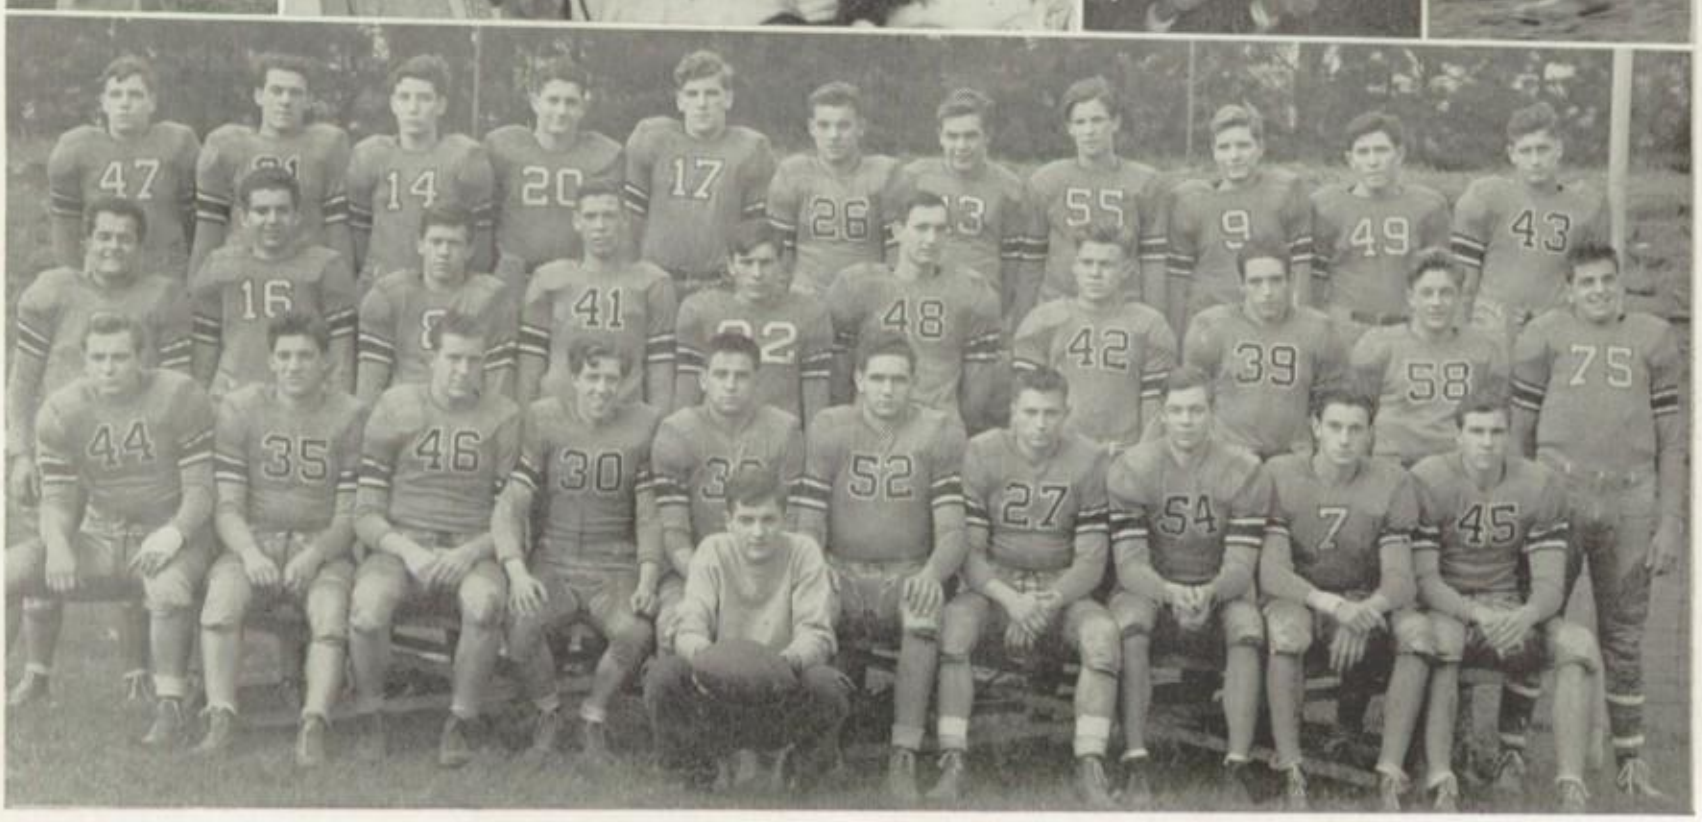
Farrell capitalized on an early break and defeated the Bengals, 7-6. An intercepted pass gave Farrell their touchdown. On his first attempt after entering the game, Stratter passed to Valentino for the Sharon touchdown. Shorts' fine punting highlighted the game.

With Joe Valentino playing a fine game the Tigers defeated Sharpsville 20-6. Valentino scored one touchdown and an extra point himself, set the stage for two touchdowns by Danny Gross, and passed to Gross for another extra point. This was the annual Homecoming game and was witnessed by a large crowd of Tiger fans.

Captain of the Sharon High gridders for this year was Howard Miller. This is "Hucks" final year and his third as a letterman. Harry Monson also earned his letter for the third time. George Gula was the efficient Senior Manager.



19 42



Basketball Season

COACHES

Peter Collodi Donald Moore

Thrills and chills galore, wonderful victories throughout the season—to be followed by a heart-breaking defeat at the hands of our friendly rivals from Farrell. This is a picture of the 1942-43 basketball season.

Peter J. Collodi, coach of the Tiger basketeers for the past six years, was called to the colors early in the season. His position was taken over by Donald Moore, previously assistant to Collodi. While we all hated to see Pete leave, nothing could be done about the matter, and Dudey really turned out a team that clicked on all occasions. It was a season of which we can be proud.

The Tigers, with only Ed Suita and "Spike" Stupka, co-captains, back from last year's great team, won 17 and lost only 2 games over the season. It took a red-hot Farrell team, that later came within a whisker of the state title, to eliminate the Bengals.

The Tigers looked green in their first game but fought hard to defeat Beaver Falls 28-27. The next game was easier as the Sharon boys trounced Ursuline 49-12. After leading almost all the way our boys went down to their first defeat at the hands of the powerful Warren Presidents 37-36. In their next battle the Tigers came bounding back to defeat a highly touted New Castle five 36-26 in a rough game. Sharon had a breather in their next game as they trounced Brookfield 38-16. The Blue Devils of Sharpsville fought hard before giving in 29-12 on their home court. Mercer gave the Bengals a busy evening, also, but the County Seaters came out on the short end of a 32-25 score. Next the Sharon squad travelled to Greenville to defeat the Trojans 34-22.

In their second meeting the Tigers were "red-hot" as they ran roughshod over Sharpsville 54-14. Grove City offered little opposition and the Bengals added another to their string 36-17. The Hickory Hornets came to our gym but went home with only 14 points against Sharon's 41. A late rally fell just two points short as we lost a thrilling game to a fine Farrell team 26-24. Grove City was unlucky in getting the Tigers on the rebound and received another shellacking, 39-21. Greenville battled on even terms with the Tigers for almost two quarters but slipped behind and were "snowed under" 40-20. Hickory fared a little better on their home court, getting 21 points against our 45. In their next game with Farrell, Sharon came fighting back after trailing at the outset and handed the Steelers a 36-23 trouncing.

Woodrow Wilson was no match for the Tigers and was defeated 41-20. In their highest scoring game of the season, our boys turned back Mercer 64-30. In closing their regular season the Tigers defeated an experienced Ellwood City team, 51-37. Then came the surprise ending. The Tigers were favored in the county play-offs but the Steelers had different ideas and took over the crown, 35-27, before a record-breaking crowd at South High Field House, Youngstown.

The entire school and community extend congratulations to the 1943 edition of the Tiger floormen. Fighting players and fine coaches all went to make up a great season.

The Junior Varsity, coached by Mr. Blaine Laycock, former Sharon High cage star, won eleven out of sixteen contests. Members of the starting lineup usually were Garay, Reynolds, Koss, Mentrek, and Marshall or Zipay.

These boys, all of them Freshmen and Sophomores, will probably be the material from which varsity Tiger teams are made in the next several years.

Faculty Manager

When bouquets are handed out to coaches and team members, we hope you also hand one to the faculty athletic manager. Here is a man whose work never seems to end. Not only does he have to schedule contests, but he also has to arrange for officials, ticket takers, ushers, broadcasters, police and a hundred other details. He is constantly on the alert to see that squad members are properly outfitted, and that all arrangements for transportation are taken care of. He is the man who sees to it that publicity is obtained for all contests, and that tickets are made obtainable for as many fans as possible.

We congratulate Sharon High School on having so efficient a faculty manager as George C. Stover.

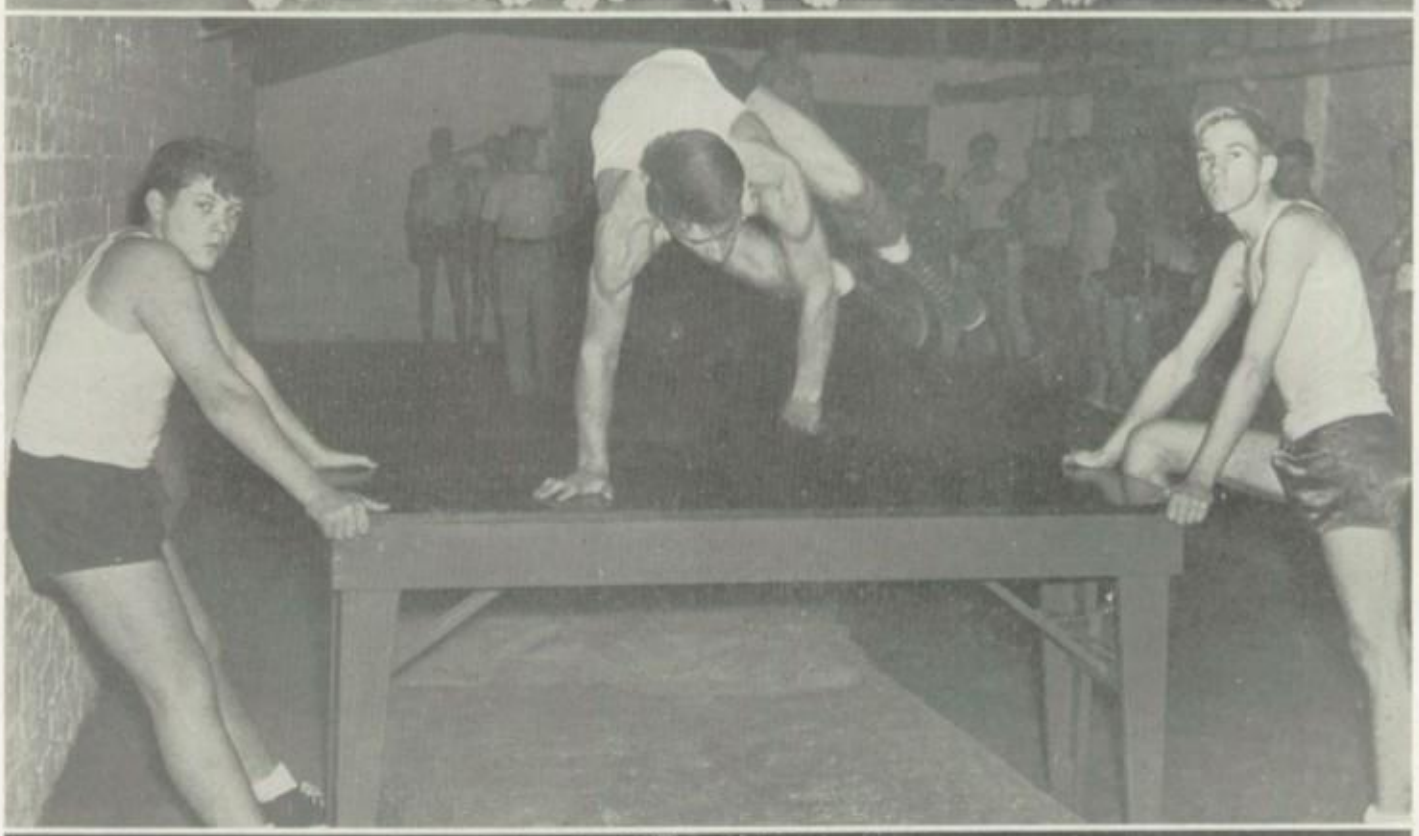
GEORGE C. STOVER

Cheerleaders

Standing: Marge Cameron, Mary Kleinkoph, Dona Rosacker, Ann Sverchek.

First Row: Bob Snyderwine, Dorothy Smith, John Yurenovich, Helen Louise Fill, Bill Nottingham.

The Sharon High cheerleading squad presented a brand-new attraction this year. For the first time in the history of Sharon High, girls took their places beside the boys to cheer our teams on to victory. During football and basketball seasons they seem to have accomplished their goal. Coach of the squad was Mr. Robert Holt.



Cross-Country

Braving chill fall winds, the cross-country team practiced daily to develop wind and muscles so essential to this sport. Almost every day in the early autumn, these boys could be seen running in the neighborhood of our school, under the watchful eye of coach Gerald Wasser.

This year the season schedule was limited to two meets, both with Meadville High, due to gasoline and tire shortages. The district meet usually held at Pittsburgh, also had to be canceled for the same reason.

Lettermen included Burleigh Neely, Floyd Grace, Jack Haupt, Fred Mitchell and George Shimp.

Left to right, Standing—Harry Jones, manager, Floyd Grace, Jack Haupt, William Ewing, Burleigh Neely, Ken Sinclair.
Kneeling—Fred Mitchell, George Shimp, Jack Fogle, Kenneth Matthews.

Tumbling Team

With physical fitness playing a vital role in our war effort, this year's tumbling class was of greater importance than in previous years. Tuesday and Friday activity periods found the "grunt and groan" class hard at work under the guidance of physical education director, Paul Hoskins. Mat drills, muscle-building exercises and parallel bar work all had a part in the group's routine.

The tumbling team sponsored an exhibition in the gym, near the end of the school year. Captain of the team was George Gavala.

Shown in picture, left to right—J. Pumphrey, G. Gavala, Dale Bair.

Leaders Club

This club, organized this year, replaces the Girls Sports Club of former years. The purpose is to train girls to take charge of calisthenics, folk dances, basketball and other phases of gym activity.

Each Monday, Wednesday and Friday activity period, this group, numbering approximately sixty-five, meets in the gym to receive instructions from Miss Weller and Miss Bidaman. During regular gym class periods, these girls then assume charge of the gym work.

The Social Committee of this group, headed by Gladys Johnson, held a bowling and dancing party in the Girls Buhl Club in December.

Officers are: President, Elinor Knotts; Vice-president, Re Da Mas Key; Secretary, Edith Ann Seegers; Treasurer, Josephine Novosel.

Dear Sir:

It is with great pleasure that I have learned of the wonderful record which you made in the recent naming a bomber campaign, conducted under the auspices of the Columbia Scholastic Press Association. Your outstanding record is one of which the editorial staff as well as your school may well be very proud.

Will you please send me immediately the name which you wish to have inscribed on the pursuit ship.
